

CENTRAL LOUISIANA COMMUNITY FOUNDATION
2012 MEMBERSHIP CAMPAIGN

Let's keep things rolling forward!

This has been an outstanding year of growth for the Foundation, making possible ever broader and more effective service to our community. Think of these accomplishments:

- The **Community Impact Award** funded one impactful project in 2010 with the Mobile Advocacy Center, and another in 2011 in the education program of the Alexandria Museum of Art.
- **Celebration of Philanthropy** drew nearly 300 people in 2011, involved nearly two dozen outstanding nonprofits, and raised our sights for what can be accomplished here.
- **The Good Food Project** established a great, leading edge endeavor while it models for all of us what effective philanthropy looks like.
- The **A+ Alexandria Bowl** inspires our most accomplished students and focuses our attention on how important academic excellence is to our entire region.
- **Impact Central Louisiana**, our electronic magazine, reminds us every two months of so many good things that are made possible through wise, local philanthropy.

Remember, none of these things existed just two years ago!

Membership support is one of the few dependable revenue streams for the Foundation. This year, we need to raise nearly \$60,000 in voluntary support, such as membership contributions, to sustain our work throughout 2012. Individuals, businesses and organizations are all eligible for membership in the Foundation. Please renew your membership or join today!
