Current Sponsorship Opportunities

There are many ways to help the Central Louisiana Community Foundation financially as we promote a stronger, more effective philanthropic community in Central Louisiana. You can support particular grant programs through our Community Impact Fund and various field of interest funds. You can also support general Foundation operations through your membership. Or, how about considering one of the specific sponsorship opportunities outlined below? Contact us for more information or to craft a sponsorship that meets your unique needs and interests.

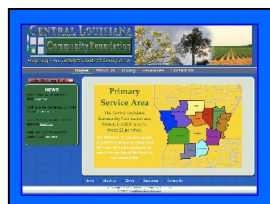

Impact Central Louisiana

You can underwrite all six issues of our beautiful full-color electronic newsletter throughout the coming year for a donation of \$12,000. That's just \$2,000 per issue to share the joy and impact of local giving with readers across our 12-parish region. View past issues at www.clcf.net. Contact us for details.

Foundation Web Site

Our web site at www.clcf.net was redesigned in 2010 and is constantly updated to provide the latest information on the generous philanthropy in our region. The web site has quickly become one of our most effective resources. Underwrite the cost of this unique communication tool for only \$10,000 per year. Also available: Monthly or quarterly sponsorship. Contact us for details.

Regional Outreach

Foundation staff and volunteers travel across the 12-parish service year-round to share the message of effective philanthropy and help build local programs. There is rarely a quick payoff for these activities, but the work is important and the costs mount quickly. Your sponsorship of \$3,000 would provide \$250 per month to help us venture out to serve our entire region in the coming year.

Celebration of Philanthropy

Sponsor this inspiring event that celebrates the benefits of wise and effective giving in Central Louisiana. It takes place each April in downtown Alexandria and brings together hundreds of community leaders. Sponsorship Fees: Lead Sponsor, \$2,500; Sponsor, \$1,000; Patron, \$500. Contact us or visit www.clcf.net for details.

If you wish to support the Foundation in any of these ways or have an idea how else you can enhance our efforts, please feel free to contact us at 318 445 7702 or cenlacf@clcf.net.

Thank you for all you do to make our community better.

The Central Louisiana Community Foundation organizes community assets to preserve and enhance values and ideals for generations to come. Let us help you fulfill your philanthropic vision.
