

Fuel the Future of Generosity

with **Central Louisiana Community Foundation**

Dear Friends in Philanthropy,

Over the past five years, the Central Louisiana Community Foundation has distributed more than \$21 million to local nonprofits, and that was driven by the support of donors like you.

This year, we're launching SHARE CENLA, a new regional giving platform built to simplify giving, increase visibility for local nonprofits, and drive greater impact across Central Louisiana.

We're kicking things off with a Launch Party on November 18, gathering community leaders, nonprofits, and partners to introduce the platform and build momentum ahead of Giving Tuesday 2025.

We're looking for sponsors who want to invest in a more connected, generous CENLA. Your support will directly power this new tool and amplify giving across the region.

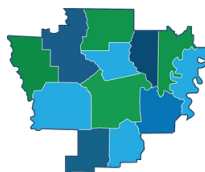

A sponsorship packet is attached with options tailored to your goals.

Together we can make our community a better place to live in and give in.

With deep appreciation,

Central Louisiana Community Foundation

GIVINGTUESDAY | SAVE THE DATE | DECEMBER 2, 2025
